GENERAL

Executive Summary

The Executive Summary is required. Include the objectives and outcomes identified in the plan and an evaluation of past performance.

Program Year 4 Action Plan Executive Summary:

The Town of Apple Valley's Community Development Block Grant (CDBG) is authorized by the Housing and Community Development Act of 1974, which provides eligible entitlement communities with annual grants that can be used to provide decent housing, suitable living environments, and expanded economic opportunities, principally for low- and moderate-income persons. The anticipated CDBG allocation for 2010-2011 is \$690,825.

The Town's Home Investment Partnership (HOME) grant is authorized under Title II of the Cranston-Gonzales National Affordable Housing Act of 1990. HOME funds are required to be used for affordable housing activities. In 2004, the City of Victorville formed a HOME Consortium with the Town of Apple Valley in order to meet the threshold of obtaining HOME entitlement status with HUD, which resulted in an annual allocation of funds to both communities. In 2007 the Consortium Agreement was renewed for another three-year term. The anticipated HOME Consortium allocation for 2010-2011 is \$689,961. Of that amount, Apple Valley will receive an estimated \$305,335 and Victorville will receive \$384,596.

Priority Needs established in the FY 2007-2012 Consolidated Plan, which form the basis for establishing objectives and outcomes in the Strategic Plan and subsequent Annual Action Plans, are as follows:

1. Preserve the existing housing stock
2. Expand the supply of affordable housing
3. Assist in reducing housing costs of extremely low- and low- income households
4. Increase affordable homeownership opportunities
5. Eliminate blighted conditions and substandard housing through enhanced code enforcement activities and demolition
6. Provide shelter and related services to meet the needs of the homeless population and support the development of a continuum of care system on a region-wide basis
7. Assist special needs persons with reducing housing costs and with meeting their rehabilitation needs
8. Affirmatively further fair housing to ensure equal access to housing for lower income, ethnic minorities and special needs groups
9. Coordinate public and private efforts to reduce lead-based paint hazards and protect young children
10. Create safer, more attractive and more accessible neighborhoods and stimulate economic growth through the improvement of infrastructure
11. Provision of public facilities and park improvements
12. Address public service needs

13. Expand the economic base and promote greater employment opportunities for residents
For FY 2010-11, the Town will focus on priority numbers 1, 2, 4, 8, 10, 11, and 12. In addition, the Town has incorporated outcome measures for activities in accordance with the Federal Register Notice dated March 7, 2006, which requires the following Performance Measure Objectives/Outcomes to be associated with each activity:

General Objective Categories
Activities will meet one of the following:

- Decent Housing (DH)
- A Suitable Living Environment (SL)
- Economic Opportunity (EO)

General Outcome Categories
Activities will meet one of the following:

- Availability/Accessibility (1)
- Affordability (2)
- Sustainability (3)

The Town expects to receive an allocation of approximately \$690,825 in CDBG grant funds for the period beginning July 1, 2010 and ending June 30, 2011. In addition, a carry-over balance from fiscal year 2008-2009 of \$41,286.81 brings the proposed total to \$732,111.81. Since staff did not receive direction from the Community Development Citizens Advisory Committee (CDCAC) to program additional funds in the amount of \$99.60, staff recommends distributing the amount evenly amongst the 12 subrecipients recommended for funding. This results in eight dollars and 30/100 dollars (\$8.30) being added to the total amount of each CDCAC recommended allocation.

General Questions

1. Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.
2. Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) (91.215(a)(1)) during the next year and the rationale for assigning the priorities.
3. Describe actions that will take place during the next year to address obstacles to meeting underserved needs.
4. Identify the federal, state, and local resources expected to be made available to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.

Program Year 4 Action Plan General Questions response:

1. The geographic distribution of Apple Valley's proposed projects for FY 2010-11 are as follows:
 - a. Supportive services are available communitywide to low- and moderate-income residents and persons with special needs.
 - b. Housing programs funded with CDBG, NSP and HOME funds are available to low, moderate and middle-income persons on a communitywide basis.
 - c. Administrative costs and fair housing services are available on a communitywide basis.

For FY 2010-11, the Town of Apple Valley anticipates receiving \$690,825 in CDBG funds. A maximum of up to 15 percent or \$103,623.75 of these funds may be utilized for public service activities; up to 20 percent or \$138,165 may be used for program administration; and the remaining 65 percent or \$449,036, may be used for capital projects in the target areas or housing programs for income-eligible persons. Other funding sources, such as redevelopment funds, will be used to leverage federal funds when possible.

2. The Priority Needs identified in the Town's FY 2007-2012 Consolidated Plan will be the basis for allocating investments geographically within the jurisdiction during the next year. The established priorities for FY 2010-11 are:
 - Preserve The Existing Housing Stock
 - Expand The Supply Of Affordable Housing
 - Address Public Service Needs
 - Affirmatively Further Fair Housing To Ensure Equal Access To Housing Lower- Income, Ethnic Minorities And Special Needs Groups
 - Create safer, more attractive and more accessible neighborhoods and stimulate economic growth through the improvement of infrastructure

- Provision of public facilities and park improvements

Activities assigned with a High or Medium Priority level will receive funding during FY 2010-11.

3. A major obstacle for the Town of Apple Valley in meeting underserved needs is the lack of adequate financial resources to meet the growing needs of low- and moderate-income persons. With the formation of the Apple Valley/Apple Valley Consortium, the Town will continue to expand its housing programs to meet the growing need for affordable housing. In addition, the Town will continue to use CDBG funding to support public service agencies that address the special needs of the underserved, including the homeless, the potential homeless, the youth, seniors, female-headed families, victims of domestic violence, and the disabled.

The Town is also proactively seeking additional resources to meet the underserved needs. Federal, state, and local resources that may be potentially available to address the needs identified in the Consolidated Plan include some of the following:

Program Year 4 Action Plan Citizen Participation response:

1. A 30-day public comment period was provided between April 9, 2010 and May 11, 2010 for review of the FY 2010-2011 Annual Action Plan. A public notice was published in the *Apple Valley News* newspaper on April 9, 2010, announcing the commencement and ending dates of the review period. A copy of the public notice is provided in Appendix E. The Action Plan was made available for public review on the Town's website (www.applevalley.org) and at Apple Valley Town Hall and the Apple Valley branch of the San Bernardino County Library. It was also available for review by requesting copies in person, by telephone, fax, or e-mail.

3. The Town of Apple Valley makes every effort to respond to all relevant comments.

Institutional Structure

1. Describe actions that will take place during the next year to develop institutional structure.

Program Year 4 Action Plan Institutional Structure response:

1. The Town of Apple Valley strives to foster and maintain relationships with other agencies to establish an institutional structure that maximizes its resources. The Town's institutional structure consists of public agencies, for-profit agencies, and non-profit organizations. To address housing needs, the Town partnered with the City of Victorville to form a Consortium to receive HOME funds. The Town works with the County of San Bernardino to provide affordable housing opportunities to extremely low- and low-income renters in Apple Valley. The Town works with the San Bernardino County Homeless Coalition, as well as Victor Valley Domestic Violence and High Desert Homeless Services to address homeless issues

Monitoring Methods

1. Describe actions that will take place during the next year to monitor its housing and community development projects and ensure long-term compliance with program requirements and comprehensive planning requirements.

Program Year 4 Action Plan Monitoring response:

The Town of Apple Valley Economic Development Department has the prime responsibility for overall program monitoring and compliance for the Town of Apple Valley. Staff monitors each newly funded agency or department during the program year, conducts a desktop audit of each sub-recipient contract file annually, and conducts an on-site monitoring visit with each sub-recipient and Town department at least once every two years.

The Town also ensures compliance with all Federal and Town contracting regulations, including procurement, Federal Labor Standards, Davis-Bacon, equal opportunity, et al. While construction projects are underway, weekly on-site compliance interviews with the workers are conducted.

During FY 2010-11, the Town anticipates monitoring 12 sub-recipients and two Town departments. In addition, the Town will ensure compliance with the US Office of Management and Budget (OMB) requirements for conducting single audits, as well as comply with the US Department of Housing and Urban Development (HUD) reporting requirements for accomplishment in the Integrated Disbursement and Information System (IDIS).

Lead-based Paint

1. *Describe the actions that will take place during the next year to evaluate and reduce the number of housing units containing lead-based paint hazards in order to increase the inventory of lead-safe housing available to extremely low-income, low-income, and moderate-income families, and how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards.*

Program Year 4 Action Plan Lead-based Paint response:

1. The Town's overall lead-based paint hazard reduction strategy and goal is to reduce the number of cases from lead poisoning, particularly cases that involve children. An estimated 4,629 units occupied by low and moderate-income households in Apple Valley may contain lead-based paint (10 percent margin of error), based on the housing unit age and income of occupants. Compared to upper-income households, these households are financially less capable of performing the maintenance or rehabilitation needed to reduce lead-based paint hazards.

The Town has integrated lead-based paint hazard evaluations and notifications into its housing programs. As a condition of funding assistance through the Town's federally-funded housing rehabilitation, the Town requires:

- Evaluation of homes constructed prior to 1979 for lead-based paint hazards and notification of homeowners or occupants if lead-based paint hazards are identified
- Inclusion of lead-based paint hazard evaluation, testing and reduction as eligible activities for funding assistance
- Review of plans by the Building and Safety Department for rehabilitation of residential structures and inspections of the project in progress to assure compliance with all applicable building codes

As a condition of funding assistance through the Town's federally-funded Neighborhood Stabilization Program/Down payment Assistance Program (NSP/DAP), the Town requires acknowledgement of the following:

- Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards including a lead warning statement signed by the seller, the purchaser and the real estate agent.

During FY 2010-11, the Town of Apple Valley will also coordinate with the County of San Bernardino Health Department, Childhood Lead Poisoning Prevention Program (CLPPP) to provide follow-up and case management services to children who have been identified with elevated blood levels.

1. The needs of public housing in the Town of Apple Valley are met by the Housing Authority of the County of San Bernardino (HACSB) participation in the Comprehensive Grant Program (CGP) as outlined in its Five-Year Public Housing Agency (PHA) Plan. All Public Housing units are scattered-site throughout Apple Valley, and managed by HACSB. A total of 33 public housing units and 37 non-public housing units are located in the Town, comprised of three one-bedroom, eight two-bedroom, nineteen three-bedroom units, and three four-bedroom units. The Resident Council represents the voice of the residents and is the means by which residents can become involved in management of the public housing units.
2. HACSB is not designated as a "troubled" agency by HUD. According to HASBC, the physical condition of its public housing stock is considered to be good. Program Year 4 Action Plan HOME

1. **Other Forms of Investment:** The Consortium does not intend to use HOME funds for any other form of investment other than those described in 24CFR 92.205(b).
2. **Home Resale or Recapture:** The Consortium anticipates using HOME funds for homebuyer programs within the Consortium area. The Consortium will recapture all funds invested in any homebuyer HOME activities. Once received, the funds will go back into a HOME account and will be expended in one or more HOME eligibility activities.

Other Narrative

Include any Action Plan information that was not covered by a narrative in any other section.

Fostering and Maintaining Affordable Housing

The Town has placed high priority on preserving the existing affordable housing stock through rehabilitation. For FY 2010-2011, \$251,499.06 (Including \$44,286.91 carry-over from the 08/09 FY) in CDBG funds are budgeted for the Residential Rehabilitation Loan Program (RRLP) to aid low- to moderate-income homeowners by providing necessary repair work to owner-occupied homes.

The Town has also placed high priority on increasing the supply of affordable housing through new construction. The Town will continue to encourage developers, non-profits and other interested parties to develop new affordable units and will support applications for development funds through the California Tax Credit Allocation Committee (CTCAC) and the State of California.

The Crime Free Multi-Housing Program

The Town of Apple Valley views public safety as a high priority. Since its incorporation in 1988, the Town has contracted with the San Bernardino County Sheriff's Department for law enforcement services. An important component of law enforcement services is the Crime Free Multi-Housing Program.

The Crime Free Multi-Housing Program is a, state-of-the-art, crime prevention program designed to reduce crime, drugs, and gangs on rental properties. It comprises a coalition of police, property managers, and residents of rental properties who work together to keep crime out of rental properties. A three-phase approach has been developed to address all the crime opportunities on rental property.

The program is designed to include a certification process and consists of three phases that must be completed under the supervision of the local police department. The program Property managers can become individually certified after completing training in each phase and the property becomes certified upon successful completion of all three phases. The incentives for program participation include training by law enforcement, certification, police issued signs, and advertising privileges.

The **Crime Free Lease Addendum** is the backbone of the Crime Free Multi-Housing Program. The CFMH Program assists in eradicating the criminal element from rental properties through enforcement of the Crime Free Lease Addendum. This addendum to a typical lease agreement lists specific criminal acts that, if committed on the property, will result in the immediate termination of the resident's lease. The Addendum allows owners and managers to evict renters based on their criminal activities and behavior. Renters sign the lease and addendum and then are held responsible for their actions.

The anticipated benefits are reduced police calls for service, a more stable resident base, and reduced exposure to civil liability. Fully certified properties have reported reductions in police calls for service up to 70% over previous years.

Crime Free Multi-Housing Program Benefits:

- A stable, more satisfied tenant base. Increased demand for rental units with a reputation for active management
- Lower maintenance and repair costs. Increased property values
- Improved personal safety for tenants, landlords, and managers

Worst Case Needs

The Town has identified senior, disabled and handicapped homeowners as those most in need of home repairs (i.e. worse case needs), and those least able to qualify for private financing to take care of their property repairs.

Obstacles to Fair Housing

The Town of Apple Valley will contract with HUD-certified Inland Fair Housing and Mediation Board for the provision of fair housing and landlord/tenant mediation services in FY 2010-11. Inland Fair Housing will affirmatively further fair housing through public education workshops, counseling, conciliation, landlord/tenant mediation (including mobile parks), and other outreach services.

The Town's Analysis of Impediments to Fair Housing Choice (AI) was updated and adopted by the Council on November 13, 2007. The AI found that although no public policy, program or standards implemented by the Town have proven to impede housing development or fair housing choice, the Town continues to strengthen its position by the following fair housing practices:

- a. Continue to educate rental property owners/managers about their responsibilities under fair housing laws.
- b. Educate tenant households through on-going education programs.
- c. Educate school children about fair housing choice and fair housing laws.
- d. Continue to monitor the lending practices of major financial institutions.
- e. Promote April as "Fair Housing Month."
- f. Review all standard Town contracts to ensure certain fair housing language is included such as reporting information regarding ethnic, income, etc.
- g. Conduct training of code enforcement officials to enable them to refer discrimination cases directly to IFHMB.
- h. Display the Fair Housing logo with advertisements by the Town (i.e. housing notices for housing programs).

Leveraging funds

All CDBG-funded projects proposed for FY 2010-11 will include leveraging of other resources, such as grants from Federal, State, and local governments, private foundations, capital development funds, general funds, private donations of funds or services, and other various funding sources.

Redevelopment set-aside funds are the primary source for leveraging or providing matching funds for the Town's housing programs. According to State Redevelopment Law, Section 33334.2 of the Health and Safety Code, 20 percent of the tax increment from any redevelopment project area is to be set-aside for low- and moderate-income housing programs.

The Consortium has been identified by HUD as a fiscally distressed jurisdiction and has been granted a 100-percent match reduction for FY 2010-11. Nevertheless, Consortium staff will track HOME eligible activities for future match, and will address any additional match requirements from their respective Redevelopment Set-Aside Funds.

HOME Tenant-Based Rental Assistance: The Consortium does not intend to fund any tenant-based rental assistance for FY 2010-11. Should a need for this type of activity arise in the future, guidelines for tenant-based rental assistance will be developed pursuant to HOME regulations.

Affirmative Marketing: In the event the Consortium funds projects consisting of five or more HOME assisted units, guidelines will be established pursuant to HOME program regulations.

Equal Opportunity and Fair Housing: The Consortium will conform with the requirements of Title VI of the Civil Rights Act of 1962 as amended, 42 USC 2000d, The Fair Housing Act 42 USC 3601-3620, with Executive Order 11063 as amended by Executive Order 12259, and adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 as amended 42 USC 6101; and on the basis of handicapped status, as stipulated under 42 12131; 47 USC 155, 201, 218, and 225, respectively. The Consortium will also comply with Executive Order 11246, Section 504 of the Rehabilitation Act of 1973 and the requirements of Section 3 of the Housing and Urban Development Act of 1968, as set forth in 12 USC 1701u. The Consortium prohibits discrimination against individuals as protected by the preceding in its HOME assisted projects and programs. The Consortium will conform to the requirements of Executive Orders 11625, 12432, and 12138, to achieve equal opportunity contracting objectives by encouraging the use of women and/or minority owned or controlled enterprises in HOME assisted projects and programs.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

3. **Special Assessments** - It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

I further certify that the local government will comply with:

3. The requirements of 24 *CFR* 576.56, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 *CFR* 576.57, other appropriate provisions of 24 *CFR* Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
5. The requirements of 24 *CFR* 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
6. The requirement of 24 *CFR* 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
7. The requirements of 24 *CFR* Part 24 concerning the Drug Free Workplace Act of 1988.
8. The requirements of 24 *CFR* 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.

11. The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
12. The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code). Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

TOWN OF APPLE VALLEY NOTICE OF PUBLIC HEARING CONCERNING THE PROPOSED 2007-2012 FIVE-YEAR CONSOLIDATED PLAN AND THE FOURTH-YEAR ACTION PLAN FOR FY 2010/2011

YOU ARE INVITED - All interested citizens and agencies are invited to attend a public hearing on May 11, 2010, at 6:30 p.m. at the Town of Apple Valley Council Chambers, 14855 Dale Evans Parkway, Apple Valley, CA 92307, to comment on the proposed Fourth-Year Action Plan. The Town is soliciting public comments from interested citizens, public agencies and other interested parties regarding the proposed Five-Year Consolidated Plan. The Town of Apple Valley is a member of the Home Investment Partnerships Program (HIMP) and is currently in the process of preparing a joint Consolidated Plan with the U.S. Department of Housing and Urban Development (HUD). The successful formation of the consortium resulted in an annual allocation of HOME funds to both communities. This action requires the Consortium to prepare a joint Consolidated Plan that incorporates community needs assessments, strategies and action plans of both jurisdictions into one coherent plan. The consortium has identified the Town of Apple Valley as the lead agency and the City of Victorville as a participating jurisdiction.

CONSOLIDATED PLAN SUMMARY

The Consolidated Plan is a comprehensive five-year strategy (2007-2012) that addresses the use of Federal grant/entitlement funds for the purpose of meeting the goals of providing decent housing, a suitable living environment, and expanded economic opportunities primarily for low- and moderate-income persons. The Consolidated Plan combines the application and reporting requirements for four Federal formula grant programs. It replaces the Comprehensive Housing Affordability Strategy (CHAS) and consolidates the applications for the Community Development Block Grant (CDBG), Home Investment Partnerships Act (HIMP), Emergency Shelter Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

The Consolidated Plan is composed of three parts: 1) The first section of the Consolidated Plan evaluates the Housing and Community Development needs of the Consortium. This includes an assessment of housing needs for extremely low, very low, and low- and moderate-income families, including the needs of homeless individuals and families. In addition, a housing market analysis was completed that includes a review of housing; 2) Based on this information, a five-year strategic plan has been developed which includes priorities for assisting categories of residents by income level, objective statements, proposed programs, as well as

accomplishments that are expected to be achieved in the next five years; 3) An annual Action Plan provides a one-year investment plan, which outlines the intended use of resources, descriptions of activities to be undertaken, and the specific objectives and priority needs to be addressed.

FEDERAL GRANT PROGRAM DESCRIPTION

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

The Federal Housing and Community Development Act of 1974, as amended, provides Federal Community Development Block Grant funds for projects that promote the development of viable, urban communities by providing decent housing and suitable living environments and expanding economic activities, principally for persons of low- and moderate-income.

CDBG ANNUAL PROJECT FUNDING

Proposed Funding: The Town expects to receive an allocation of approximately \$690,825 in CDBG grant funds for the period beginning July 1, 2010 and ending June 30, 2011. In addition, a carry-over balance from fiscal year 2008-2009 of \$41,286.81 brings the proposed total to \$732,111.81. Since staff did not receive direction from the Community Development Citizens Advisory Committee (CDCAC) to program additional funds in the amount of \$99,000, staff recommends distributing the amount evenly amongst the 12 subcategories recommended for funding. This results in eight dollars and 30/100 dollars (\$8.30) being added to the total amount of each CDCAC recommended allocation.

Proposed Projects/Proposed CDBG activities for 2010-2011 are outlined below:

- San Bernardino County Library - Literacy Day 4,008.30
- Victor Valley Domestic Violence, Inc. - After-School Program 12,008.30
- High Desert Homeless Services - Homeless Shelter Program 15,008.30
- Assistance League of Victor Valley - Operation School Bell 5,008.30
- Inland Fair Housing & Mediation Board - Fair Housing 13,032.45
- Inland Fair Housing & Mediation Board - Landlord Tenant Mediation 8,000.00
- Victor Valley Community Hospital 5,008.30
- Moses House Ministries 4,008.30
- One 2 One Mentors, Inc. - STAR 4,008.30
- Apple Valley Police Activities League 15,008.30
- Apple Valley Christian Centers 8,008.30
- Catholic Charities 7,008.30
- James Woody Community Park Ball Field Dupont Renovation 95,000.00
- Village Neighborhood Road Improvement Project (Phase 2 of 4) 143,824.00
- Town of Apple Valley Residential Rehabilitation Loan Program 251,498.00
- Town of Apple Valley - Program Administration 138,105.00
- Total \$732,111.81

Benefit: At least 70 percent of the total funds received each year must be involved in activities that benefit low- and moderate-income persons. The Town expects to spend 100 percent of its funds to benefit low- and moderate-income individuals during the 2010-2011 program year.

Past Use of Funds: Information on the current Third-Year Consolidated Plan and the Town's past use of funds for the CDBG program may be reviewed on the Town's website at applevalley.org or at the Town of Apple Valley Economic Development Department office.

Displacement: No local public action is currently contemplated which would result in the displacement of low- and moderate-income households. If displacement occurs, the Town will implement and fully comply with State and Federal relocation and acquisition statutes.

HOME INVESTMENT PARTNERSHIPS PROGRAM (HIMP)

HIMP is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, as amended. HIMP funds may be used to develop and support affordable rental housing and homeownership affordability through acquisition (including assistance to homeowners), new construction, reconstruction or rehabilitation of non-luxury housing with suitable amenities, including real

property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations (CHDOs).

The HOME Consortium, consisting of the jurisdictions of Apple Valley and Victorville, anticipates receiving a total allocation of \$689,881 for the period beginning July 1, 2010 and ending June 30, 2011. Of that amount, Apple Valley estimates receiving \$305,335; and Victorville estimates receiving \$384,596.
