

**TOWN OF
APPLE VALLEY, CALIFORNIA**

AGENDA MATTER

Subject Item:

REVIEW AND APPROVE CONSTRUCTION PLANS AND SPECIFICATIONS FOR THE NEW PUBLIC WORKS FACILITY AND AUTHORIZE STAFF TO ADVERTIZE FOR BIDS FOR CONSTRUCTION OF THIS PROJECT

Summary Statement:

The Public Works Facility project includes construction of a purpose built Public Works Facility. This new facility, located immediately adjacent to the Town's new Animal Shelter, includes material storage and shop building, vehicle maintenance building, administrative office building, vehicle and equipment parking areas and a household hazardous waste collection and disposal facility. Space is also set aside within the design for a future fueling facility. The plans and specifications have been reviewed by staff and staff has determined that they meet the terms and conditions of the design contract. Plans are available for Council review, approval and authorization to proceed prior to the bid opening. Staff recommends the Town Council review the plans made available in the Town Council office, approve the plans and direct staff to proceed with the project.

Recommended Action:

Review and approve construction plans for Public Works Facility and direct staff to proceed with advertising for bids on the project.
