PARKS AND RECREATION MASTER PLAN UPDATE

I. NEEDS ASSESSMENT PRELIMINARY FINDINGS

- Access to Basic Recreation Amenities
 - Access to Community Parks
 - Benchmarks: Comparable Communities
-

II. DISCUSSION: COMPARABLE COMMUNITIES

- What is the most surprising thing about the comparable community results for you?
 - Are there any new directions or ideas that we should explore based on the findings of comparable communities?
-

III. DISCUSSION: PARK SYSTEM

- Should AV focus on quantity or quality in providing parks and recreation opportunities?
 - There is a large variation in Apple Valley residential areas in terms of lot size. Does "one size fits all" apply to the park system, or do different areas have different priorities and needs?
 - What level of service should be provided for residential areas outside of Town?
 - What role should trails play in the park system?
-

IV. DISCUSSION: PROGRAMS

- Should Apple Valley continue its current level of service in terms of providing recreation programs?
-

V. NEXT STEPS

- Needs Assessment Report
- Next Meeting: October 7, 6:00-8:00 (Vision, Goals, Strategies)
