APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**AUTHORIZATION TO DISPOSE OF SURPLUS EQUIPMENT – 1997 CHEVROLET S-10 PICKUP & a 2000 CHEVROLET FULL SIZE UTILITY BED PICKUP.**

**SUMMARY STATEMENT:**

Public Works has a 1997 Chevrolet Pickup which has been out of service for several months and Finance has received a request to dispose of the vehicle. Captain Belknap has requested an additional COP vehicle, preferably a pickup. The pickup in question is in need of minor repairs but has less than 100,000 miles and would meet the needs of the COP's.

The other vehicle is also surplus and staff would like authorization to dispose of it as well working to obtain the best possible price we can get.

**Recommended Action:**

Authorize the donation of the surplus 1997 Chevrolet S-10 Pickup to San Bernardino County to be converted to a COP vehicle for the Apple Valley Police Department and a 2000 Chevrolet full size utility pickup to be sold.
