

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**TERMINATION OF LOCAL EMERGENCY, RESOLUTION NO. 2011-07**

**Summary Statement:**

California Government Code § 8630 and the Town's Municipal Code, Chapter 2.40, empowers the Director of Emergency Services of the Town to proclaim the existence or threatened existence of a local emergency when the Town is affected or likely to be affected by a public calamity and the Town Council is not in session.

On January 21, 2010, the Town Manager, acting as the Director of Emergency Services, proclaimed the existence of a local emergency within the Town.

Conditions of extreme peril caused by a series of severe rainstorms commencing on or about January 21, 2010, warranted and necessitated the proclamation and confirmation of the existence of a local emergency because the initial estimated costs to repair the damages are greater than the Town's fiscal ability to recover.

At the January 26, 2010, Town Council regular meeting, the Council approved Resolution No. 2010-08 , A Resolution of the Town of Apple Valley, Proclaiming and Confirming the Existence of a Local Emergency.

The situation resulting from said conditions of extreme peril is now deemed to be within the control of the normal protective services, personnel, equipment, and facilities of and within the Town.
