IN MEMORY OF JANE B DOLLAR-FOUNDER
PET PARTNERS SPAY/NEUTER PROGRAM
VICTOR VALLEY 10/18/1911 TO 6/13/2011

I, Mary Mog, spokesperson for Pet Partners of the Victor Valley, am requesting a plaque and/or plaques to honor Jane B Dollar for her unrelenting efforts for her spay/neuter program, also a Dog Park at the Civic Center Park location, approved in 2002.

She has already donated \$1,000 dollars in 2002. We wish to add to our donation this year, 2011, if the park is open this year.

I am sorry Jane did not live long enough to see her dream come true and I know she was trying very hard to hang on. We at Pet Partners, will miss her determination and dedication to our beloved pets. We are going to try to continue her wishes and keep the spay/neuter program going as long as we can. During this economy, many pets are being turned in and rescue groups are bulging at the seams and funds are drying up. We must persevere our love to our animals.

I would also like to see her recognized for her efforts in the realization of a Dog Park, the first in the High Desert.

Please keep me abreast of when the park will be realized.

Sincerely,

Mary Mog
