

ABC's of Water

Is a Greywater System Right for You?

Tuesday, November 17, 2015
5:30 - 7:00 P.M.

Presenter: Nicholas Holmes
Certified Greywater Installer

What is greywater and what can you do with it? What are the benefits of using greywater and when should you not use it?

This session will answer these questions, as well as address the many different types of greywater systems available and the situations they're most suited for; health and safety considerations, soil and plant considerations, building code and permitting issues, and more.

Seating is limited, so RSVP today. Refreshments will be served. To register to attend, please contact Gloria Golike at (760) 946-7001, or email her at ggolike@mojavewater.org. The deadline to RSVP is November 16, 2015.

Hosted by: Mojave Water Agency

Located at: 13846 Conference Center Dr., Apple Valley, CA
