Town of Apple Valley

Residential Rehabilitation Loan Program Your Opportunity for Home Repairs

General Information: The Town of Apple Valley Residential Rehabilitation Loan Program (RRLP) provides loans of up to \$20,000 for repair work to single-family owner-occupied homes. The program is available to lower income homeowners who live within the Apple Valley Town Limits. Loan funding is available on a first come, first serve basis, which is based upon submittal of a full and complete application package.

Loan & Applicant Criteria: Eligible applicants are owner-occupants of single-family homes. The household's combined family income cannot exceed 80 percent of the San Bernardino County median income, adjusted by family size. The table to the left outlines the adjusted maximum income eligibility limits.

Loan Conditions: The applicant must have clear fee simple title, occupy the property (which must not appraise after rehabilitation for more than \$242,000 current HUD limit, effective 4/13/2015), have a good credit history and be current on house payments and property taxes to qualify for the program. The RRLP limits each eligible household to one loan. The borrower is required to execute a promissory note and deed of trust. The Town records a deed of trust against the borrower's property. The loan may be subordinate to an existing first or second deed of trust secured by the borrower's property.

If the owner moves out, sells/transfers or refinances the property, the note immediately becomes due and payable. A RRLP loan may be repaid at anytime without penalty.

Rates & Terms: Loans are available at a rate of 0% simple interest, deferred for a maximum of 30 years. This means no payments are required during the term of the loan. However, deferred loans are immediately due on sale, refinance or transfer. **The Town Program Manager will oversee and have final say regarding project decisions including applicant and contractor eligibility, scope of work, bid reasonableness, line item priorities, satisfactory completion of work and payment of contractors.**

The Town of Apple Valley remains uncommitted to funding any loan until the execution of loan documents have been completed.

Emergency Repairs. The Program Administrator will allow for the consideration of applications deemed an emergency on a case by case. Emergency repairs are limited to code-related repairs only, such as leaking roofs, plumbing or electrical emergencies, or other repairs necessary to prevent injury to occupants or conditions that render the home uninhabitable or as determined by the Town of Apple Valley's Residential Rehabilitation Loan Program (RRLP) Construction Manager. The applicant must be eligible under the existing income, property requirements, and must be current on mortgage and property tax payments. These 'emergency repairs' are eligible for CDBG funds if available. Documentation must be provided to establish emergency status. If documented, then file with 'urgent need' will be given priority in mailing application over 'non-urgent needs' applications.

The Town of Apple Valley does not discriminate because of race, creed, color, religion, sex, marital status, national origin, ancestry and or/disability.
