RE: SPR2022-0003 Project Review

To Whom It May Concern:

This letter is to confirm that the Department of Airports is reviewing the industrial development as represented in the SPR2022-0003. The project location is Bounded by Gustine Street to the north, Central Road to the east, Corwin Road to the south, and the Apple Valley Airport to the west Apple Valley, CA 92307 APNs: 0463-373-01, -03, -04, -05, -06.

The project requires San Bernardino County, CSA-60, Apple Valley Airport to grant a 10' wide easement for sewer purposes in favor of Apple Valley that would extend westerly from the terminus of Corwin Road. The Applicant proposes to extend the sewer line as a jack and bore construction under the airport runway to connect to the sewer located to the west of the Airport.

This letter serves as the County's affirmation and support of the sewer line alignment and design through the property. If you have any further questions regarding this matter, please feel free to contact our office at anytime.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brett J. Godown".

Brett J. Godown, C.M., C.A.E.
Director of Airports
