

Letter from the Director

Dear Prospective Applicants,

The Town of Apple Valley is seeking an experienced, thoughtful, and motivated Senior Planner to join a collaborative and evolving Planning Department.

The Town of Apple Valley is a unique community that values thoughtful development, high design standards, open spaces, and a proactive, business-friendly approach to economic growth. The Community enjoys a strong sense of identity, quality of life, deep-rooted community pride with a family-friendly atmosphere, and a shared vision for the future.

This role offers the opportunity to work across a variety of projects, including development review, long-range planning, and state and federal compliance planning. You'll partner closely with experienced and supportive managers and have the chance to contribute to projects that directly shape the Town of Apple Valley. Planning work here is high-profile and meaningful.

We're looking for someone who:

- Demonstrates a strong team-oriented mindset and helps to create a collaborative work environment.
- Brings strong planning judgment and attention to detail.
- Communicates clearly with colleagues, applicants, and the public.
- Is comfortable managing projects and working across disciplines.
- Values both preserving what makes a place special and planning for its future.
- Has a strong working knowledge of planning principles and state regulations.

The Town of Apple Valley - Planning Department is a small team, which means you will gain broad exposure, quickly be seen as leader in the community, take on meaningful responsibility, and see the impact of your work.

If you're looking for a role where you can grow, contribute, and be part of a team that takes pride in its work, we encourage you to apply.

Sincerely,

David Contreras, Director of Planning
