

Letter from the Director

Dear Prospective Applicants,

The Town of Apple Valley's Parks & Recreation Department is seeking an experienced, creative, and motivated Recreation Supervisor to join our collaborative and forward-thinking team. Apple Valley is a unique community that values quality of life, open spaces, community pride, and a strong family-friendly atmosphere. Our department plays an important role in creating opportunities for residents to connect, stay active, and enjoy the community we are proud to serve. We provide a wide variety of recreational programs, facilities, and events, including approximately 50 annual special events, aquatics programs, instructor-led classes, youth and adult athletics, tournaments, running events, and facility rentals.

We are looking for someone who:

- Is **creative and innovative** and willing to explore new ideas in recreation programming.
- Is a **strong team player** who works well with staff, other departments, community organizations, and user groups.
- Maintains a **professional attitude** while contributing to a positive work environment.
- Is an **engaged leader** who supports, develops, and holds staff accountable.
- Is **thoughtful and solution-oriented** when addressing challenges.
- Takes pride in **excellent customer service** and understands that our residents are at the center of what we do.
- Is **organized and dependable**, with the ability to manage multiple programs, events, and priorities.
- Is willing to be **hands-on and actively involved** in programs, events, and operations.
- **Communicates effectively** with staff, community members, vendors, and partners.
- Brings **energy and enthusiasm** and understands that recreation should be fun, welcoming, and engaging.

Most importantly, we are looking for someone who wants to be part of a team, contribute to the continued growth of the Parks and Recreation Department, and help shape our future. We value employees who share ideas, support one another, take ownership of their responsibilities, and look for ways to continually improve the services we provide.

If you are passionate about recreation, enjoy working with people, and want to create meaningful experiences for our community, I encourage you to apply. I look forward to welcoming our next Recreation Supervisor to the team.

Sincerely,

Debbie S. Rivera

Debbie Rivera, Director of Parks and Recreation
